

## Bone-Dry

Deerhoof

Are you a dry kind of one?  
Do tell me  
Show me your tongue and I'll make  
You healthy

Peppercorn, peppercorn  
Peppercorn, peppercorn

I'm very cold, and I'm wet  
My tummy  
But peppercorn, true to form  
Can't help me

Wading salty waters of this river  
(Peppercorn)  
I noticed that a heart was getting bigger  
(Peppercorn)  
It grew twice its size  
(Peppercorn)

Peppercorn, peppercorn  
Peppercorn, peppercorn
