

Crow

Deerhoof

You see crow of one, bad
Crow of two, mirth
You see crow of three, wed
Crow of four, birth

You see crow of five, rich
Crow of six, thief
You see crow of seven, leave
Crow of eight, grief

If you see crows high in the sky
Call out their number
You'll know the reason why
If you see crows high in the sky
Call out their number
You'll know the reason why

You see crow of nine, shhh
Crow of ten, sorrow
You see crow of eleven, love
Crow of twelve, tomorrow

If you see crows high in the sky
Call out their number
You'll know the reason why
If you see crows high in the sky
Call out their number
You'll know the reason why
