

Damaged Eyes Squinting into the Beautiful Overhot Sun

Deerhoof

When I'm very down
When I'm very down
Oo-oooh, oo-oo-oooh
When I'm very down
When I'm very down
Oo-oooh, oo-oo-oooh

Descending to Earth's core
Descending to Earth's core
Descending to Earth's core
Descend to...

I call on thee
I call on thee

Descending to... (Where'd you go, where'd you go, where'd you go?)
Descending to... (Where'd you go, where'd you go, where'd you go?)
Descending to... (Where'd you go, where'd you go, where'd you go?)
Descending to...

When I'm very down
When I'm very down
Oo-oooh, oo-oo-oooh
When I'm very down
When I'm very down
Oo-oooh, oo-oo-oooh
