

## Don't Get Born

Deerhoof

Thirty seconds I will be alive

La, la-la la, la la, la

La, la, la-la la, la la, la

La, la-la la, la la, la

La, la, la-la la, la la, la

I could have had a plan I can follow

If I had had the mind of tomorrow

Now I don't have a plan I can follow

Five more seconds I will be alive
