

Fete D'adieu

Deerhoof

I declare the war over anymore
I declare the war over anymore
Ready for a laugh
Ready to be tough
Ready for a laugh
Ready to be tough

As a robot, as a robot
As a robot, as a robot
As a robot, as a robot
As a robot, as a robot

As a robot on the dance floor
A robot on the dance floor
A robot on the dance floor
A robot on the dance floor
A muscle in the heart
A muscle in the heart
A muscle in the heart
A muscle in the heart

I declare the war over anymore
I declare the war over anymore
Ready for a laugh
Ready to be tough
Ready for a laugh
Ready to be tough
I declare the war over anymore
I declare the war over anymore
Ready for a laugh
Ready to be tough
Ready for a laugh
Ready to be tough

As a robot on the dance floor
A robot on the dance floor
A robot on the dance floor
A robot on the dance floor
A muscle in the heart
A muscle in the heart
A muscle in the heart
A muscle in the heart
A robot on the dance floor
A robot on the dance floor
A robot on the dance floor
A robot on the dance floor
A muscle in the heart
A muscle in the heart
A muscle in the heart
A muscle in the heart
