

Fraction Anthem

Deerhoof

For we, though many, are one bread and one body
For we, though many, are one bread and one body

For we, though many, are one bread and one body
Of the same blood and the same flesh
Of the same blood and the same flesh

We all partake of that one bread
We all partake of that one bread
We all partake of that one bread
We all partake of that one bread

One body are we, hallelujah
For we, though many, are one bread and one body
For we, though many, are one bread and one body
Of the same blood and the same flesh
