

Giga Dance

Deerhoof

I sleep in angel's feather's heaven bed
Don't say goodnight
Far away, nervous face
I hiss at the Milk Man's king

Giga Dance, Giga Dance
Giga Dance, Giga Dance
Giga Dance, Giga Dance

Mind the steps, steal his eyes
Under pale dim lights
Let's escape, end the feast
Home is better than it seemed

Giga Dance, Giga Dance
Giga Dance, Giga Dance
Giga Dance, Giga Dance
