

## Halfmole Halfbird

Deerhoof

Hear the buzzing above, are they doves?  
Shiny birds of steel, are they real?  
Building muscles to fly through the sky  
Hooray, hooray, hooray  
Mole is gonna fly

Hear the sounds of Roswell  
Digging up to the top of the dirt sky  
Fingerwings  
Dirt turns into air  
Wings from claws you'll bare  
Dig with care

Hear the sounds of Roswell  
Digging up to the top of the dirt sky  
Fingerwings  
Dirt turns into air  
Wings from claws you'll bare  
Dig with care

Air takes on a chill, stomach ill  
Shiny birds of steel, make good meal  
Flying back to the ground, quiet found  
Hooray, hooray, hooray  
Mole is gonna fly
