

Milk Man

Deerhoof

Miruku man sleeps on the roof in the noon
Banana-na stabbed to the arms, weird man
Ooh-la-la

Miruku man sneaks in the house under moon
Miracle words come to a mouth, you may hear
"Peek-a-boo"

Come closer
How beautiful I play sound
Boys and girls, here I come
Get you to escape night
Boys and girls, be mine
I'll take you to my dream land
Now you're mine
I'll take you to our dream land

Miruku man smiles to you "Hi," in the nude
"This banana stuck in my arms, oh my love"
Stabbed to the arms, ooh-la-la
Yellow one

Come closer
How beautiful I play sound
Boys and girls, here I come
Get you to escape night
Boys and girls, be mine
I'll take you to my dream land
Now you're mine
I'll take you to our dream land

Boo, boo, the Milk Man
Hi, hi, he's masked man
Boo, boo, the Milk Man
Hi, hi, he's masked man
