

# Model Behavior

Deerhoof

The man that can't be seen  
He don't know what you mean  
One more roll of the dice for me

Fire, I'm on fire  
Don't let me fall  
Fire, I'm on fire  
Do, re, mi, fa

A system, a victim, a candidate  
A system, a victim, a candidate

Fire, I'm on fire  
Do, re, mi, fa  
Fire, I'm on fire  
Don't let me fall

A model behavior, our candidate  
A model behavior, our candidate

Fire, I'm on fire  
Don't let me fall  
Fire, I'm on fire  
Do, re, mi, fa

I am tough and I don't give up  
I am tough and I don't give up
