

## Oh Bummer

Deerhoof

Ma belle  
Ma belle  
Ma belle  
Ma belle

When I was emperor  
I lied to everyone but you  
I'm sort of over it  
What did you say?

All of the bodies  
All of the minds  
To all of the money  
I was true

When I was emperor  
I lied to everyone but you  
When I am emperor again...

All of the bodies  
All of the minds  
To all of the money  
I was true, true  
True, true, true, true
