

Plastic Thrills

Deerhoof

This town is built on nothing
This town on plastic mounds
Your body winning ugly
Ooh, your mind is spinning 'round

Woo-hoo-hoo, you throw it away
Woo-hoo-hoo, you throw it away
Woo-hoo-hoo, you throw it away

My eyes are always changing
My eyes, a phony mask
Your love is worth investing
Your love is gone so fast

Woo-hoo-hoo, you throw it away
Woo-hoo-hoo, you throw it away
Woo-hoo-hoo, you throw it away
