

Queen of the Lake

Deerhoof

It's gonna get harder and harder
It's gonna get harder and harder
I'm gonna get out
I'll never be free of the water
I'll never be free of the water
I'm gonna get out

I'll never never follow my father
I'll never never follow my father
I'm gonna get out
I'm gonna be queen of the daughters
I'm gonna be queen of the daughters
I'm gonna get out

The air above no one can swallow
The air above no one can swallow
I'm gonna get out
I'm leaving and no one will follow
I'm leaving and no one will follow
I'm gonna get out

Lady of pond
Lady of stream
Lady of water
Fishy head queen

You dream of land
Your feet are wet
Have you not reached
The island yet
