

Shiny feathers
Flapping wings of greed
Tricky sheen bird
On the bells they feed

No room to fly here
My beak will peck
Out your wispy hair
My claws are grasping
The bells that shine
Feeding ways of mine
Care for deer

Tinkling, ringing
Dulling bells of blue
Hoarding death bird
Denying stag food

No room to fly here
My beak will peck
Out your wispy hair
My claws are grasping
The bells that shine
Feeding ways of mine
The bells they tinder
My nest of ash
Test me I will gash
Care for deer
