

Microcastle

Deerhunter

All I've
Seen
All I've
Seen

Try to
Describe it

In the time
Of all of it

Try not to
Come to bed
Warm and
I might slip
I might do
I might

Try to
Describe it all

In your time
End it all

All I do
It may be not it

On and on
It could be my beginning
All thru time
All thru time
