Deez Nuts

5 gold chains, gave 4 to my brothers  
DTD dog tags shit, I must have given out hundreds  
Even though I wish I could've bought a house for my mother  
The underground gave me a home, so shit I don't regret nothin'

DN why you move like that? Act a fool like that?  
Cause everywhere we go we home  
DN why you cool like that? Break the rules like that?  
Cause shit, we got it out the mud

Answer to no one, but speak to our people  
That's what separates us from our so-called equals  
We don't preach shit we no angels, but we facing our demons  
If you fuckin' up we got you, when you winnin' we see you

DN why you move like that? Act a fool like that?  
Cause everywhere we go we home  
DN why you cool like that? Break the rules like that?  
Cause shit, we got it out the mud

Listen motherfucker  
I ain't never been a sucker  
But I'd love to hit a lick or two  
Act a mother fucker  
Off the xanies with the liquor two  
Mister T with the green  
A team triple beam  
Gold chains drippin'  
And I know you know I pity fools

Cause everywhere we go we home  
DN why you cool like that? Break the rules like that?  
Cause shit, we got it out the mud
