

# Kill This Shit

Deez Nuts

I go to war with world  
And come out on top every time  
Love when the odds are against me  
I bet on myself and collect what is mine  
Danced with devil I'm on a new level  
My neck and my bezel on shine  
Wrote this to wreck shit so follow directions  
And fuck up your section I'll cover the fine

I'm done towing the line  
Yeah I'm takin' whats mine  
I'm not takin no prisoners this time  
This time I'ma kill this shit

I just turned an L to a lesson  
That's another win  
This time I'ma kill this shit

6,2" grew an inch with my docs on

I'll bond with my demons  
And set my sights on this hell
