

# Miss Me With That

Deez Nuts

Miss me with that bullshit  
I got PTSD, you a fuckin' trauma tourist  
Miss me with that bullshit  
This ain't what you want  
This ain't what you want  
This ain't what you want

Gathered to the darkness to find their light  
I saw the worst with my own fuckin' eyes  
Thoughts and prayers fall on deaf ears again  
God got a sick sick sick sense of humor I guess  
Crashed out again and again barely left a dent  
Unbreakable such a curse to such a broken man

Fuck it  
Miss me with that bullshit  
I got PTSD, you a fuckin' trauma tourist  
Miss me with that bullshit  
This ain't what you want  
This ain't what you want  
This ain't what you want

(Miss me with that bullshit) miss me with that bullshit  
(Miss me with that bullshit) miss me with that bullshit  
(Miss me with that bullshit)  
This ain't what you want  
This ain't what you want  
This ain't what you want

Death comes in threes so do my tattooed tears  
Become accustomed to the hell that I'm living in  
Death strikes fear in the hearts of men  
For me living is the cruel and unusual punishment  
Crashed out again, shit it barely left a dent  
Unbreakable such a curse to such a broken man

Fuck it  
You run your mouth  
You out of pocket  
Think you the plug  
Shit guess we must be the socket  
You run your mouth  
I'm screaming fuck it  
Don't test your luck  
You better bet your bottom dollar on me

Miss me with that bullshit  
I got PTSD to you fuckin' trauma tourist  
Miss me with that bullshit  
Don't test your luck  
You better bet your bottom dollar on me

Miss me with that bullshit  
I got PTSD, you a fuckin' trauma tourist  
Miss me with that bullshit  
This ain't what you want  
This ain't what you want

This ain't what you want

(Miss me with that bullshit) miss me with that bullshit

(Miss me with that bullshit) miss me with that bullshit

(Miss me with that bullshit)

This ain't what you want

This ain't what you want

This ain't what you want

This ain't what you want
