

# Let Me Be the One

Def Leppard

Something in the way you move  
Lets me get too close to you  
I tremble when I look at your face  
And I want all the world to see  
Tonight the world belongs to me  
Touch me with your animal grace

Put your hand on my heart  
And the feel the need in me

Let me be the one  
Lead me into temptation  
And show me the right side of wrong  
Let me be the one  
Take me in from the cold  
Gimme something to hold  
Let me be the one  
Let me be the one

Burning in the afterglow  
Catch the wind and let it go  
Washed away like words in the sand  
A passion that's so physical, electric and untouchable  
Don't wanna let it slip through my hands

Put your hand on my heart  
And the feel the need in me

Let me be the one  
Lead me into temptation  
And show me the right side of wrong  
Let me be the one  
Take me in from the cold  
Gimme something to hold

Don't let this dream pass by  
Just spread your wings and fly  
Reach out and touch  
Let your heart just bring me in  
I'll be your oxygen

Put your hand on my heart  
And the feel the need in me

Let me be the one  
Lead me into temptation  
And show me the right side of wrong  
Let me be the one  
Take me in from the cold  
Gimme something to hold  
Let me be the one  
Let me be the one  
Ohoh, let me be the one  
Let me be the one
