

# Long, Long Way to Go

Def Leppard

You held my hand and then you slipped away  
And I may never see your face again  
So tell me how do to fill the emptiness inside  
Without love, what is life?

And anyone who knew us both can see  
We always were the better part of me  
I never wanted to be this free  
All this pain, does it go away?

Then every time I turn around  
And you're nowhere to be found  
I know I got a long, long way to go  
Before I can say goodbye to you  
Oh, I got a long, long way I know  
Before I can say goodbye to all I ever knew  
To you, to you

From memory, there is no hiding place  
Turn on the TV and I see you there  
In every crowd there's always someone with your face  
Everywhere, trying not to care

Then every time I turn around  
And you're nowhere to be found  
I know I got a long, long way to go  
Before I can say goodbye to you  
Oh, I got a long, long way I know  
Before I can say goodbye to all I ever knew

To you, I wish you everythin'  
And all the best that life can bring  
I only hope you think of me sometimes, oh  
And even though I feel the pain  
I know that I will love again  
The time will come, oh, and I'll move on

I got a long, long way to go  
Before I can say goodbye to you  
Oh, I got a long, long way to go, got a long way I know  
Before I can say goodbye, before I say goodbye  
To all I ever knew, to all I ever knew  
I got a long, I got a long, long way to go, long way to go  
Before I can say, before I say, goodbye to you  
Say goodbye, say goodbye  
Oh, I got a long, long way I know  
Before I can say goodbye to all I ever knew  
Girl, I wish you the best I know, oh and all of the rest, to you  
I got a long, long way to go  
Before I can say goodbye to you
