## Wasted

## **Def Leppard**

Well I've been lying awake all night just thinking of you But a bottle of whiskey lies heavy obstructing my view I've got a bottle of pills to give me my thrills And I know that I'm leading a life that kills

Wasted - I've wasted my time Wasted - I'm shooting a line Wasted - I'm stuck in a hole Wasted - I'm losing control

And I've been meaning to call, I've been wanting to phone You see I don't like the thought of leaving you here alone Well I've seen things down here that are fit for a queen I've seen things down here that should never be seen

Wasted - I've wasted my money Wasted - I've wasted you honey Wasted - I'm out of my brain Wasted - I'm going insane

I'm running in thin air There's nothingness everywhere I've gotta get out, oh won't you help me? I've gotta get out, oh won't you help me? I've gotta get out, oh won't you help me get out?

I thought I saw you just the other day But it couldn't be you 'cos you had nothing to say 'He's going away', they told all my friends Well now I'll be stuck in here til the misery ends

Wasted - I've wasted my time Wasted - I'm shooting a line Wasted - I'm out of my head Wasted - I wish I was dead
