

## Ziggy Stardust

Def Leppard

Ziggy played guitar, jamming good with Weird and Gilly  
And The spiders from Mars, he played it left hand  
But made it too far  
Became the special man, then we were Ziggy's band

Ziggy really sang, screwed up eyes and screwed down hairdo  
Like some cat from Japan, he could lick 'em by smiling  
He could leave 'em to hang  
Came on so loaded man, well hung and snow white tan

So where were the spiders  
While the rats tried to break our balls  
Just the beer light to guide us  
So we bitched about his fans  
And should we crush his sweet hands, oh

Ziggy played for time, jiving us that we were voodoo  
The kids were just crass, he was the nazz  
With God given ass  
He took it all too far but boy could he play guitar

Making love with his ego  
Ziggy sucked up into his mind  
Like a leper messiah  
When the kids had killed the man  
I had to break up the band, oh

Oh yeah, ooooooh  
Now, Ziggy played guitar
