

## Live a Lie

Default

I can't seem to find out what I feel  
Burned out dreams of others which I can steal  
Take or leave this way I seem to you, it eats right through you

Ripped up parts of things I should do, I'll run around and tell  
you screaming

Oh I live a lie, oh I live a lie, oh why even try  
I've been leaving thoughts below  
Still I feel I should know

Still don't see much of me giving in  
Much too strong to live outside these sins  
Feeling like I'm taken lightly, think you see right through me  
Words of those that still despise me, think it's eating me you'  
re dreaming

Oh I live a lie, oh I live a lie, oh why even try  
I've been leaving thoughts below  
Still I feel I should know

When I seem to believe all that I've done wrong  
You can take all that's right I will still move on  
Taken all I can give it seems that I don't belong  
Push me further from this go on

Oh I live a lie, oh I live a lie, oh why even try  
I've been leaving thoughts below  
Still I feel I should know
