

# Taking My Life Away

Default

They reach beside  
A leech to find  
I dreamed of this so long  
This used to feel so strong

Now I wait  
Wish these thoughts would go away  
I hope I dream of you  
Cause it's taking my life away  
No I don't hate  
But these thoughts won't go away  
I hope I dream of you  
Cause it's taking my life away

Deep down it hides  
Making life a grind  
I dreamed of this so long  
This used to feel so strong

Now I wait  
Wish these thoughts would go away  
I hope I dream of you  
Cause it's taking my life away  
No I don't hate  
But these thoughts won't go away  
I hope I dream of you  
Cause it's taking my life away

Deep down it hides

Now I wait  
Wish these thoughts would go away  
I hope I dream of you  
Cause it's taking my life away  
No I don't hate  
But these thoughts won't go away  
I hope I dream of you  
Cause it's taking my life away
