Wasting My Time

Well, I don't want to see you waiting I've already gone too far away I still can't keep the day from ending No more messed up reasons for me to stay

Well, this is not for real, afraid to feel I just hit the floor, don't ask for more I'm wasting my time, I'm wasting my time You can't stop the feeling, there is no reason Let's make the call and take it all again, woah again

Months went by with us pretending When did our light turn from green to red? I took a chance and left you standing Lost the will to do this once again

Well, this is not for real, afraid to feel I just hit the floor, don't ask for more I'm wasting my time, I'm wasting my time You can't stop the feeling, there is no reason Let's make the call and take it all I'm wasting my time, I'm wasting my time again, woah again

I see you waiting Lonesome, lonely I see you waiting I see you waiting

Well, this is not for real, afraid to feel I just hit the floor, don't ask for more I'm wasting my time, I'm wasting my time You can't stop the feeling, there is no reason Let's make the call and take it all I'm wasting my time, I'm wasting my
