

# The Curse

## Defences

It's not fair, no  
They don't care, no  
Didn't get to say it  
'Cus it's already been said  
Like someone found the password  
To the vaults inside my head

What am I missing?  
Did I make this up?  
Always a few steps behind  
Like we're all out of luck  
When every path we find  
Sees us fall into line  
It's not hard to see why we keep losing our lifelines

But still we try

Just feels like something isn't right  
Can't help but wonder  
If I messed up in another life  
Is this bad luck or are we  
Just living in a nightmare?  
(Living in a nightmare?)  
Just give it up, been long enough  
Can anybody tell me what we're doing wrong?  
Is it just bad luck?  
I can't keep living in a nightmare  
Living in a nightmare

Guess we're playing the underdog  
We got something to prove  
Guess we're doing this the hard way  
We got nothing to lose

But I'm afraid  
This is a curse I can't break  
A toll I can't take  
A hex that I can't shake  
Didn't get to do it  
'Cus it's already been done  
Maybe next time  
Better think of another one

And still I try

Just feels like something isn't right  
Can't help but wonder  
If I messed up in another life  
Is this bad luck or are we  
Just living in a nightmare?  
(Living in a nightmare?)  
Just give it up, been long enough  
Can anybody tell me what we're doing wrong?  
Is it just bad luck?  
I can't keep living in a nightmare  
Living in a nightmare

And we work so hard  
Just to get left in (the dark)  
Just to do it all over again  
Just to follow the trends

Still we work so hard  
Just to get left in the dark  
Will they ever see us for who we really are?  
No time to wonder when we've come so far

Just feels like something isn't right (Something isn't right)  
Can't help but wonder  
If I messed up in another life  
Is this bad luck or are we  
Just living in a nightmare?  
(Living in a nightmare?)  
Just give it up, been long enough  
Can anybody tell me what we're doing wrong?  
Is it just bad luck?  
I can't keep living in a nightmare  
Living in a nightmare
