

# Still Got Fuck All

## Defiance

Just another punk kid growing up fast  
Running down the street police on my back  
Listened to the records, listen to the words  
Realized I'd never be part of your world

[Chorus]

From the east to the west  
to the other side of town  
from the edge of the river  
It cant be found  
from the streets to the alleys  
with our backs against the wall  
another year's gone  
and we still gotta fuck all

Always said what I wanted to say  
You can fuck right off and get outta my way  
Never wanted to believe in your society  
I'll drink to my friends, fuck off to my enemies

[Chorus]

Here's to the ones that are never coming back  
ain't gonna die out, but I ain't living in the past  
You know I'm still here and I'm giving what I got  
I'll never be sold You know I'll never be bought

[Chorus x2]
