

## Beaten, Loved and Eaten

Defleshed

Retching, stretching your spine  
Bleeding, vomiting wine  
On all fours, broken lips  
Weeping, rubbed fingertips

Crawling in dirt  
In a torn skirt  
Beaten, loved and eaten

Forced to intercourse  
Of course you can't be pleased  
Disease, it's coming to an end  
He bends, you cannot comprehend  
So you pretend...

...you're in a dream  
Unable to scream  
Beaten, loved and eaten

Spread wide, open inside  
Neck broke, your guts he provoke  
Being ripped, stripped, totally split  
Careful this guy really hits

Gnaw you raw  
Hack away parts with a saw  
And then he puts you on a plate  
With remains from what he ate  
Sure delicate

"Föruttnelse, hasta o älskade brud  
Blott din förhoppning jag äger  
Ett lik ligger ensamt i slöja och skrud  
Ett lik smakar gott med vinäger..."
