Beaten, Loved and Eaten

Retching, stretching your spine Bleeding, vomiting wine On all fours, broken lips Weeping, rubbed fingertips

Crawling in dirt In a torn skirt Beaten, loved and eaten

Forced to intercourse Of course you can't be pleased Disease, it's coming to an end He bends, you cannot comprehend So you pretend...

...you're in a dream Unable to scream Beaten, loved and eaten

Spread wide, open inside Neck broke, your guts he provoke Being ripped, stripped, totally split Careful this guy really hits

Gnaw you raw Hack away parts with a saw And then he puts you on a plate With remains from what he ate Sure delicate

"Föruttnelse, hasta o älskade brud Blott din förhoppning jag äger Ett lik ligger ensamt i slöja och skrud Ett lik smakar gott med vinäger..."

Defleshed
