

## Entering My Yesterdays

Defleshed

Entering my yesterdays  
Travel through timespace  
In order to escape from today

Run from misery & hate  
I can hardly wait  
in my past I will always stay

I will always stay...

Despise tomorrow  
which brings me sorrow  
I wish to turn back the years and the tears

Entering my yesterdays  
Turning back the time  
my peace i want to find

Entering my yesterdays  
Would you be so kind  
to leave me with my mind

Despise tomorrow  
which brings me sorrow  
I should have said this yesterday, well anyway...
