

Diamond Eyes

Deftones

To the edge
Til we all get off
I will take you away with me
Once and for all

Time will see us realign
Diamonds rain across the sky
Shower me into the same realm

Calculate I'll embrace
Hold on, come with me now
Run away outer space with me
Once and for all

Time will see us realign
Diamonds rain across the sky
Shower me into the same realm

Time will see us realign
Diamonds rain across the sky
I will lead us to the same realm

Get Set!

When the coffin shakes
And the needle breaks
Come run away with me
Come on you'll see
Once and for all

Time will see us realign
Diamonds rain across the sky
Shower me into the same realm

Time will lead us to the same realm
I will lead us to the same realm
