Freaks

Deftones

hoh, ok, (my dick is small at times my dick is misbled?) ya cop(tall?),
ya make out (think "oh maybe youll survive?) oh well if you cant do
that, at least I take a little to the (grapes?) yes get that straight , uh,
yes the pencil be all to the point , get it out , and screw all the (fats
that doin shit?) fuck what (lets get the body goin down?) what what
what it, its nothin but crazy shit, so we gon say..

theres too many people
and too many freaks
and too many eyeballs starin' at me
what
theres too many people
and too many freaks
too many eyeballs starin' at me

well ok, made me (maybe?) cry give it all what you got, and say whats
true, Yo , but if it isnt yo lets get it on (flow?), I got to wait for mine
,
they say wait you dont know , it dont matter to me, (a girl's about to
wet her thing?) wont smile for gus, but dont give a fuck , shake about
the word , the balls will get down , and its all for good (youll face
your mom for this?) hey and one more time ....

because theres too many people
and too many freaks
too many eyeballs starin' at me
huh
theres too many people
and too many freaks
and too many eyeballs starin' at me
well
theres too many people
and too many freaks
too many eyeballs starin' at me
well
theres too many people
and too many freaks
well
theres too many eyeballs starin' at me

come on.

(ummhmm.. yea)

these eyes
theres too many people
and too many freaks
too many eyeballs starin' at me
huh
theres too many people
and too many freaks
and too many eyeballs starin' at me
huh
theres too many people
and too many freaks
and too many eyeballs starin' at me
hu

theres too many people
and too many freaks
and too many eyeballs starin' at me

(go get it!)
