

# Pain

Deftones

(Max Cavalera)

Speak up - you know what is up  
Code of silence? Who set you up!?  
Some shit so wrong in this world  
All fucked up now you're gone  
Speak up - you know what went on  
How could you let it go?  
It's murder you covered up  
Stained blood on your soul  
It's your day...

(Gary Avenell)

Down on my knees  
Hands stretched to heaven above  
Christ this pain is hard to live with  
Don't fill my heart with love  
Engulf my heart with vengeance  
You need to see our pain  
Don't fill this heart with love  
The truth needs to be told!!!

(All)

You can't mask - Pain!

(Chino Moreno)

How the fuck am I supposed to sit still?  
All you motherfuckers out there throwing a rock  
Better get at this shit why don't you back off quick?  
What's - the - body - on my skin?  
You won't find what's wrong, we got it back on  
One slept under the covers...  
That's cause of your life!!!
