Greasy filthy hand jobs in truckstop restrooms
Hot carling, all over the place ()

Hot Carling, ()

I turned that into a verb, i hope you appreciate it

Carling, Hot Carling Academy, its a school where you go to learn how to butt fuck

They dont have blowjobs there because they are uncircumsized

And that is just disgusting so they have to buttfuck

Which is also disgusting because that extra forskin traps all the germs

And the poop, and the buttfucking residue within

And that is why british people have bad teeth, amen.
