

## Plastic

Deftones

I kick my heart above your door way  
Hanging Christ like bleeding  
Cold the well within my soul 'cause  
The rosy air I'm breathing  
Shame... yeah

I wait to say who's but ever linger  
Poop is what your head does  
Everlong around my finger  
Who said me so scared  
And hold

Plastic seems to seal my eyes shut  
God she must be crazy  
Wait in shame I wait so long  
But I'm too goddamn lazy

"I'll get mine" she said over and over  
Who's that in my hole and  
One and all it's been a long time  
You can't keep me inside

Kick the door  
If you ever linger  
Wade in lies around my finger  
No more scarecrows scared  
I hold
