Deftones

Floating on the water ever changing Picture hours out from that Into with all our dreams

The ocean takes me into watch you shaking Watch you weigh your powers Tempt with hours of pleasure Take me one more time Take me one more wave Take me for one last ride I'm out of my head

Tonight, Tonight Tonight, Tonight.. I.. The sound of the waves collide The sound of the waves collide The sound of the waves collide Tonight

Cruising through the city after hours With me fusing all our powers Here's to all our Take me one more time Take me one more wave Take me for one last ride I'm out of my head

Tonight, Tonight Tonight, Tonight The sound of the waves collide The sound of the waves collide The sound of the waves collide Tonight
