Doo doo doo... Bop!  
Doo doo doo... Bop!

Tip of a knife that's about to cut  
And a glass shattered that you thought you cleaned up  
Blade of grass holding up the sun  
And a casual friend that you kiss for fun

Dominoes lined up around the room  
I can't help myself I gotta know

Doo doo doo... Bop!  
Doo doo doo... Bop!

I know, I know  
Now's not the time  
For sure, for sure  
I'm gonna wait my turn

Dominoes lined up around the room  
I can't help myself I gotta know

Doo doo doo... Bop!  
Doo doo doo... Bop!
