

Disappear

Dehd

Lonely in my heart
Lonely makes me start to do
What I wouldn't do
Lonely in my heart
Lonely in my heart
Got the day to watch it start
Waiting on the world to fall apart

Do you wanna disappear?
Do you wanna disappear?
Do you wanna disappear with me?
(5, 4, 3, 2, 1, I'm gone)

Lonely in my heart
Every day's another start
But I keep on coming back to you
Lonely in my heart
It's the only thing I've got to lose
Nothing else but you

Do you wanna disappear?
Do you wanna disappear?
Do you wanna disappear with me?
(5, 4, 3, 2, 1, I'm gone)

Do you wanna disappear?
Do you wanna disappear?
Do you wanna disappear, yeah?
(5, 4, 3, 2, 1, I'm-)
