

## Dog Days

Dehd

Everyone I know is breaking hearts tonight  
Everyone I know is bleeding, but I know we'll be alright  
Everyone I know is breaking hearts tonight  
Everyone I know, everyone I know, everyone I know is a broken heart

Ghosted, coasting, feeling free  
Ah-ah, windows open, infinity

It's a bad boy in a fast car  
It's a glass half full that you knocked over  
It's a home run for the masses  
It's a pair of fake Gucci sunglasses  
It's a lover soft undressing  
It's a third strike, but the fans still fuck  
It's a, whatever, oh God  
Take me by the hand, make it last forever

Everyone I know is breaking hearts tonight  
Everyone I know is bleeding, but I know we'll be alright  
Everyone I know is breaking hearts tonight  
Everyone I know, everyone I know, everyone I know is a broken heart

Kissing, fleeting, but it feels uneven  
Long night, ceiling, hoping and believing

It's a bad boy in a fast car  
Sneaking out at night through the back door  
Leather backseat, tail light heat  
Looking for more, looking, looking for more  
Switchblade, clutch purse, motorbike, mini skirt  
Horsepower, engine, vibrations, oh I'm shaking  
Headache, dog days, stolen glances sideways  
Heartache, mistakes, giving yourself completely

It's a dog day  
Ah-ooh  
It's a dog day  
Ah-ooh  
It's a dog day  
Ah-ooh

Everyone I know is breaking hearts tonight  
Everyone I know is bleeding, but I know we'll be alright  
Everyone I know is breaking hearts tonight  
Everyone I know, everyone I know, everyone I know is a broken heart
