

Empty In My Mind

Dehd

Empty in my mind
Empty in my mind
Empty in my mind
Empty in my mind

Over kissin' strangers
I want to kiss a friend
Yes, there's a string between us
A little thing between you and I
Oh, if I pull it tighter, if I pull it taught
Would you be the one, ha, pullin' back?
Yes, I know the danger riskin' all I knew
I don't need a stranger, all I need is you

Give me all of your heart tonight
Kiss me like we're out of time

I'm empty in my mind, oh
Empty in my mind, oh
Empty in my mind, oh
Empty in my mind, oh

A friend to hold at night (Yeah)
When it is cold at night (Yeah)
A friend to grow alright
Together old alright
A friend, I'm told alright (Yeah)
A friend, I know alright (Yeah)
A friend to love alright
A friend to love

Give me all of your heart tonight
Kiss me like we're out of time

I'm empty in my mind, oh
Empty in my mind, oh
Empty in my mind, oh
Empty in my mind, oh

Empty in my mind, I'm empty in my mind (I'm empty)
Ah, empty in mind, ah, ah, ah-ah-ah (I'm empty)
Empty in my mind, ah, ah-ah (I'm empty, I'm empty)
Empty in mind, ah, ah, ah-ah-ah (I'm empty)
