

Flood

Dehd

And now the door is closed
And the windows are boarded up
And the house is burning
While I sit here drowning

Flood, flood
I am a flood for ya
Flood, flood
I am a flood for ya

What the difference is
I turn to water
When you look at me
I still love you even as I leave you

Flood, flood
I am a, I am a
Flood, flood
I am a, I am a

I sit at your feet
I wanted you to keep me
And now we are forgetting
And now we are living
Flood
Ah, ah, oh
Flood
Ah, yeah, yeah, yeah, yeah

Flood, flood
I am a flood for ya
Flood, flood
I am a flood for ya
