

Haha

Dehd

How does one get here?
When did we cross the line?
When it comes to falling, yeah
I'm falling all the time
Don't want to talk about it
Oh yeah, I'm doing fine
It's best to fight about it
Yeah boy, I love to cry

Ah ah ah, ahh
Ah ah ah
Ah ah ah, ah
Ah ah ah
All I know is I love you
All I know is cry, cry, cry, cry
Ah ah ah, ahh
Ah ah ah
Ah ah ah, ah
Ah ah ah

Well, I loved you
With all that I had
Oh, yeah, I loved you too
But now that time has really passed
Yeah, you told me
You're never coming back
Well I'm still sitting here
I'm never far and always near

It's on, it's on
It's on, it's on
It's off, it's off
It's off, it's off
It's on, it's on
It's on, it's on
It's off, it's off
It's off
4, 3, 2

Ah ah ah, ah
Ah ah ah
Ah ah ah, ah
Ah ah ah
All I know is I love you
All I know is cry, cry, cry
Ah ah ah, ah
Ah ah ah
Ah ah ah, ah
Ah ah ah
