Lately

Dehd

I forgot your name
(I want it)
I can't see my hands
(I want it)
I will sleep inside his room
(I want it)
I forgot to hide feelings
(I want it)

Lately
(I want it)
I've been dreaming
(I want it)
About waiting
(I want it)
For the right thing
(I want it)
Right thing!

Once I walk at night
(I want it)
Feel the day
We talk, I sing in my sleep
(I want it)
I weep
You keep
(I want it)
In your hearts
Inside our hands
(I want it)

Lately
(I want it)
I've been dreaming
(I want it)
About waiting
(I want it)
For the right thing
Right thing!
(I want)
