Dehd

To every girl
Going forward
You'll never

Get what I got
Got what I do
Get what I got
Got what I do
Get what I got
Got what I do
Get what I got
Oh

Baby
True blue
Baby
True blue

I don't mind, I don't mind, I don't mind, I don't mind
I don't mind, I don't mind, I don't mind

I was there first
Yeah, you're just following me
Good luck with that, girl
I'm a tough act to beat

Yeah, I'll give you some but I won't give it all
I'll always have that place in his heart
Yeah, I'll give you some but I won't give it all
I'll always have that place in his heart

Baby
Baby

I don't mind, I don't mind, I don't mind, I don't mind
I don't mind, I don't mind, I don't mind

Oh, I'm letting go
(You talk the talk)
Yeah, and I'm giving up
(And I'll walk the walk)
Oh man, I'm moving on
(I'm moving on)
