Love calls all hearts

What's the point

What's the point

What's the point

What's the point

Love calls all hearts

What's the point of living without the one you love

What's the point of loving without the one you live for

What's the point of living without the one you love

What's the point of loving without the one you live for

What's the point of living without the one you love

What's the point of loving without the one you live for

What's the point of living without the one you love

What's the point of loving without the one you live for

Love calls all hearts
