Whoa doggy

Walking along
There I'm walking in love
I'm walking the line for you
It's tough
Keeping up with trust
I'm keeping up with us
Oh yeah
You got my by the hand
You got me by the touch
Enough
Will it be enough? Oh
Will it be, oh will it be

Is it the end of the
Road for us
Growth of a
Is it the end of the
Road for us

Is this the end?
Sha la la la la
Whoa doggy
Is this the end?
Sha la la la la
