

Memories

Dehd

Memories were good, now they're gone (Memories were gone)
Doing all I can to hang on (Giving all I got)
Memories were lost, but I'm not (Memories were lost)
Doing all I can to hang on (Giving all I got)
To hang on

(He's got all, he's got a-a-all)
Doing all I can
(He's got all, he's got a-a-all)
Doing all I can
(He's got all, he's got a-a-all)
Doing all I can
(He's got all, he's got a-a)

Everywhere I go it's with me
Like my own shadow walks with me
I just need to know it's in me
But when I do I don't remember

What the hell?
What the hell?

Memories were good, now they're gone (Memories were gone)
Doing all I can to hang on (Giving all I got)
Memories were lost, but I'm not (Memories were lost)
Doing all I can to hang on (Giving all I got)
To hang on

(He's got all, he's got a-a-all)
Doing all I can
(He's got all, he's got a-a-all)
Doing all I can
(He's got all, he's got a-a-all)
Doing all I can
(He's got all, he's got a-a)

Memories were good, now they're gone
Doing all I can to hang on
Memories were lost, but I'm not
Doing all I can to hang on
To hang on

Doing all I can
Doing all I can
Doing all I can
