

# Month

Dehd

Comes and it goes  
Comes and it goes

The month it comes it's changed  
From what it was  
The month it comes too much  
It's never-ending  
New summer feeling  
The month it comes to everyone else  
But for me, it's something else  
This never-ending  
New summer feeling

It comes and it goes  
Comes and it goes

The month, the month  
I've seen you once  
Before you left your eyes of love  
The month, the month, the month  
It's never-ending

It comes and it goes  
I've got your picture hanging on the wall  
Comes and it goes  
Comes and it goes

It comes and it goes  
I've got your picture hanging on the wall  
Comes and it goes  
Comes and it goes

Comes and it goes
