

# Mr. Grieves

Dehd

Hope everything is alright  
Hope everything is alright

What's that floatin' in the water?  
Oh, Neptune's only daughter  
I believe  
In Mr. Grieves  
Pray for the man in the middle  
One that talks like Doolittle  
I believe  
In Mr. Grieves

Do you have another opinion? Yup  
Do you have another opinion?

La la la la, la la la la  
La la la la, la la la la

Got bombed, got frozen  
Got finally off to finally dozin'  
I believe  
In Mr. Grieves

Do you have another opinion? Yup! Opinion  
Do you have another opinion?  
Do you have another opinion?

You can cry, you can mope  
But, can you swing from a good rope?  
Oh, I believe  
In Mr. Grieves

Hope everything is alright  
Hope everything is alright
