

# Nobody

Dehd

Trying to find  
When will it be mine?  
Why do I try?  
Why do you hide?

Come to me summer breeze  
I'm always arriving and leaving  
Stay with me h-honey  
I need it in the evening

Ah, ah, ah  
Ah, ah, ah  
Ah, ah, ah  
Ah, ah, ah

Trying to find  
When will it be mine?  
Why do I try?  
Why do you hide?

Lakeside, sunshine  
Moonside, starlight  
Missing, nighttime  
Dreaming, alright  
A cigarette between your lips  
Like sharing a secret kiss  
Lonely, baby  
Come to me, h-hurry  
Somebody, nobody  
Somebody, n-no one  
Somebody, n-nobody  
Somebody, n-no one

Trying to find  
When will it be mine?  
Why do I try?  
Why do you hide?

Trying to find  
When will it be mine?  
Why do I try?  
Why do you hide?

Hide? (Hoo Hoo)  
Hide? (Hoo Hoo)  
Hide? (Hoo Hoo)  
Hide?
